The June 30th Memorandum to the Vatican
by Anthony of Boston

Dear Vatican Officials,

I am writing this to inform the Vatican of the magnitude regarding the role of the Pope in initiating the second coming of Christ. Back in 2019, I was compelled by the Lord to write a document entitled “Ares Le Mandat,” outlining the history of the Catholic Church in regards to the falling away period that followed Vatican II. I describe how in the decades leading up to the Second Vatican Council, the Catholic Church was warned by a number of Catholic writers and mystics about the consequences of not carrying out instructions given by the Virgin Mother to consecrate Russia to the Immaculate Heart of Mary. These instructions were detailed within 3 secrets encompassing visions and prophecies, all given to 3 children in Fatima, Portugal during a series of Marian apparitions they experienced between May and October of 1917, followed by a miracle of the sun on October 13, 1917. The first two secrets were revealed in 1941 in the memoirs of Lucia De Santos—one of the children present during the Marian apparition. The first secret was a vision of hell. The second secret were explicit instructions for the Catholic Church to consecrate Russia to the Immaculate Heart. The 3rd secret, which was sent to the Vatican with instructions that it be revealed no later than 1960, turned out to predict a great apostasy in the Catholic Church which ultimately did transpire at Vatican II when the Catholic Church encroached the Sabbath and removed the mandate that required the Catholic Mass to be spoken in Latin. The timing and execution of this triggered the rise of societal ills such as Rock and Roll, abortion, Rap Music, pornography, mass shootings, disobedience, liberal theology(many ways to salvation), pedophilia, Gay Marriage, and promotion of sexual perversion. Meanwhile, over the years, following Fatima and Vatican II, the Catholic Church was urged to do a proper consecration of Russia where the Vatican would single out Russia. This objective remained on the table in many Catholic circles. Following World War I, the Catholic Church conducted two formal consecrations in 1942 and 1984, but those were meant for the entire world as opposed to just Russia. Lucia Dos Santos warned the Church that the consecration had to be done in a way that set Russia apart. After Lucia Dos Santos passed away, Father Nicolas Gruner, a Roman Catholic Priest and crusader for Fatima, dedicated his life to urging the Church to do a proper consecration. He passed away in 2015 not long after Russia began its geopolitical conflict with Ukraine. After Father Gruner’s death, the promotion of the ills of society accelerated rapidly in the west and at times nearly divided the Catholic Church. During this time, I wrote Ares Le Mandat and revealed the lawless one in accordance with the prophecies of Paul concerning the falling away and the revelation of the lawless one. In Ares Le Mandat, not only did I calculate the number of the beast to stand for Mars 360, I also formally took that concept and much like the miracle of the sun, performed my own miracle of Mars by accurately predicting and warning God’s chosen people of the exact time frame during the year 2020 that Gaza militants would carry out its largest assault of rocket fire on Israel. I also predicted this accurately for the next year in 2021 when the Gaza War occurred. Following this prophecy on my part, the Church had become tasked with 3 objectives, all related to Fatima and the revelation of the lawless one. The first is to reinstate the Latin Mass, the second is to consecrate Russia, the third is to confirm that Mars 360 is the lawless one, the spirit of war that has plagued the world since antiquity. Confirming this will confirm the Pope to be the second coming of Christ and his words in simply identifying this Mars 360 beast will destroy it with the breath of his mouth.

I can ascertain that the consecration of Russia carried out by the Pope on March 25, 2022 was the proper consecration and has already led to rapid changes in the west as the mostly Catholic Supreme Court in the United States is undoing many of the measures taken post Vatican II, and bringing the nation back to its pre-Vatican II state. The only two tasks left for the Holy See is to reinstate the Latin Mass and confirm the Lawless one as Mars 360, which is essentially the spirit of war. By doing so, the Pope becomes the Christ who triggers the first resurrection and the era of peace.
